---

## PROJECTS

**Driftly: Vehicle Rental Platform (Airbnb Clone)** | Ruby on Rails, JavaScript, PostgreSQL, Heroku | Oct 2025

- Engineered core data models with complex ActiveRecord associations and validations.
- Built availability management system reducing booking conflicts by 99% via real-time calendar updates.
- Optimized search query performance by 40% through strategic database indexing.

**VeinConnect (Blood Donation Platform)** | Ruby on Rails, Mapbox API, JavaScript, PostgreSQL | Nov–Dec 2025

- Developed RESTful controllers for donation tracking and healthcare facility discovery.
  - Implemented interactive Mapbox GL JS directory with custom markers & clustering for 100+ facilities.
  - Integrated AI chatbot for donation eligibility questions and platform navigation.
- 

## PROFESSIONAL EXPERIENCE

**Accenture** | Customer Service Representative | Jan 2024 – Sep 2024

- Developed analytical problem-solving skills troubleshooting client issues under tight SLAs.
- Collaborated with cross-functional teams to resolve complex technical client issues.
- Gained proficiency with CRM systems, documenting case details and root causes with precision.
- Applied systematic issue resolution mirroring software development troubleshooting methodologies.

**Metasign Co. Ltd** | Welder / Technical Assistant | 2019 – Nov 2023

- Interpreted technical specifications with high precision and attention to detail.
- Worked effectively in team-based project environments under deadline constraints.
- Applied systematic approach to technical challenges and quality assurance.
- Communicated directly with clients to clarify project requirements and ensure satisfaction.

**Bipio** | Input Operator | 2018 – 2019

- Processed and validated data imports/exports with high accuracy requirements.
- Identified data discrepancies and performed systematic verification.

**Friday Attitude Hotel** | Waiter | Aug 2017 – Jan 2018

- Managed high-pressure customer interactions and payment processing.
  - Multitasked across multiple tables while maintaining accuracy.
-
